CREATIVE PLAY  
SESSIONS

## INTRODUCTION

The Creative Play Sessions are for creative-minded flower enthusiasts functioning at all skill levels who wish to enjoy a soulful morning, immersed in flowers, in a non-competitive creative environment. This is a more informal course sparking creativity and allowing a beautiful escape into the beauty of the botanical kingdom ...a moment away from the stress and pressure of daily life.

In these themed sessions you will watch Jill create a design as per the theme and then, unleash your own creativity and soul to make a unique floral design under Jill's guidance and supervision.

The remainder of this document will provide the session details as well as the booking process.

Please note the following:

- Session fees cover:
  - Flowers, containers & floral equipment required for each session.
  - Refreshments.
- Participants must bring their own floral scissors/secateurs. These can be purchased when you register if you don't have one. Value R300

## SESSION DETAILS

Each session is:

- ` Held on a Saturday – times as per the table below
- ` Each session is capped at a maximum of 10 participants so early booking is essential.

## SESSION DESCRIPTIONS

1. **Recycle! Re-use & Replenish.** You'll really get your creative and innovative juices going in this session using elements and items that are recycled. You'll create an authentic art piece that is eco-friendly and earthy yet full of the exotic gentleness of summer florals. Look forward to our fun ideas for converting something old into something totally new and unique.
2. **Winter Wonderland.** Beat the winter blues with this inspirational session. You will create a rich and textured landscape design combining flowers and foliage in a contemporary and minimal work of art that's both abstract and enchanting!
3. **Modern & Minimal to Entertain.** You'll create a simple yet effective and powerful floral design feature that focuses on Zen and stillness resulting in a superb feature design for the home or office. Modern flowers are the focal point of the day and unusual containers spark the imagination!
4. **A Flowery lunch in the garden.** Summer is here and the garden calls! Create a summer themed table centrepiece for a garden party. This design combines blooms and foliage's that tell the story of easy laid-back lunches that roll on forever. The creation spills a visual feast of lavish and luxurious flowers for moments of outdoor togetherness.
5. **'Arty-Farty' floral party.** Spring is out and entertaining is in! Create a few fun designs that suit the cocktail hour, glamour up the canapes or highlight your harvest table. These are conceptual and trending floral design concepts for those who love entertaining and a little bit of magic!
