SESSION DESCRIPTIONS

1. **New Beginnings:** As the year begins, come and nurture yourself in flowers and receive a powerful message of inspiration from them for your year ahead. A morning of flower communication and expression with Jill as you choose flowers you resonate with and then discover what meaning and message these flowers have for your life. Then create a soulful and intuitive arrangement with your flowers in a container that will bless you and your home.
2. **Renaissance and Romance:** If the Mona Lisa were made in flowers ...that's the theme of this session. Create a fabulous flowing piece of art that focuses on the historical and deeply rich vintage blooms that depict the stories of the past and the romantic and artistic passion of the era. Flowers that travel through time!
3. **A glamorous affair:** Lush, uncomplicated opulence is the theme of this class. Explore beauty while creating a modern and moving, much to be talked about table centerpiece fit for a black-tie dinner filled with floral charm!
4. **A morning in Amsterdam:** Need I say more? This class is all about opulence and the Dutch-inspired design that one would love to place in the landing or entrance hall of one's home as an invitation and greeting of floral flair for all that visit! A high design that cascades with flair. This session will focus on European trends that make flower arranging a mystery and marvel!
5. **An African Winter:** Nothing is more dramatic and alluring than the wonders of the African bushveld in the winter season. Foraging and finding nature's marvels and arranging them in an abstract landscape design is the theme of this class. Be inspired by the creativity of the elements of the bushveld, bark, moss, lichen, creepers combined with perfect botanical winter blooms.
6. **Modern contemporary chic:** If modern floral art and floral design is your thing this class is a must! Sleek, modern contemporary florals that incorporate a Zen-theme and a fresh out the box approach to arranging blooms! If Ikebana is your thing come on over!
